SEPTEMBER 1993

ETERNAL WARRIOR™ YEARBOOK - The first of VALIANT's long-awaited Yearbooks focuses on Gilad, the Eternal Warrior. A supernatural being with powers reminiscent of a Geomancer seeks to punish Gil for all the pain and suffering he has caused during his long life. Australia's hottest creative team - Dave DeVries and Glenn Lumsden - set the standard for this new VALIANT format. Check out copies of the artwork at our booth.

RAI™ TRADE PAPERBACK - This trade paperback reprints issues #0,1,2,3 and 4 of the ultra-rare *Rai* original series in a single perfect bound book. Poly-bagged with the book is the *Rai Companion*, a special comic by Bob Layton and Sean Chen that expands upon the storyline first presented in Rai #0.

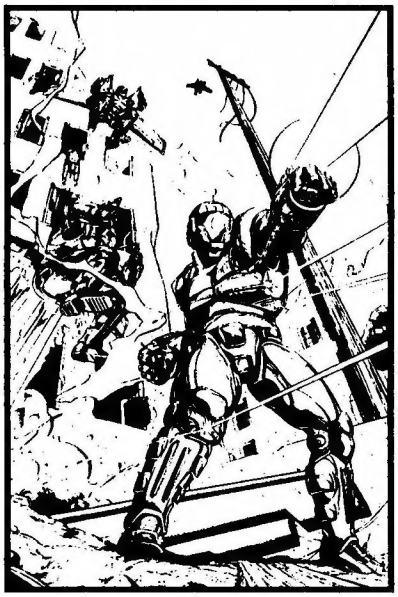
Harbinger © 1993 & ™ Voyager Communications Inc.

OCTOBER 1993

HARBINGER™ #25 - "Twilight of the Eighth Day" pt. 3 of 3 - This is the big one! Harada and Sting have their big showdown...and only one will emerge as the clear victor! This is the culmination of what the last 23 issues have been leading up to! In this giant-sized story, Maurice Fontenot and Howard Simpson tie up the loose ends and prepare the stage for the new direction this title will take next month. Don't miss out on this ground-breaking issue!!

VALIANT VISION™ STARTER KIT - VALIANT is proud to announce the newest technological breakthrough in comics...VALIANT VISION™! See your favorite VALIANT characters leap off the pages of their comics. VALIANT VISION™ will make regular full color comics look three dimensional, when properly enhanced by full VALIANT VISION™ COLOR and used with the patented VALIANT VISION™ glasses. The VALIANT VISION™ STARTER KIT contains one pair of VALIANT VISION™ glasses, an eight page comic colored in the VALIANT VISION™ process with a cover by comics legend Neal Adams, and a new never-before seen poster (suitable for framing), also colored in the VALIANT VISION™ process, by superstar Joe Quesada. Prototype glasses will be at our booth for your perusal.

NOVEMBER 1993



Armorines © 1993 & ™ Voyager Communications Inc.

NINJAK™ #1 - Incredible Premiere Issue! Ninjak finds himself trapped in the middle of a bloody war between the Weaponeer and the insidious Dr. Silk's WEBNET organization. Can Ninjak foresee every contingency to survive this deadly gambit? This issue also features a full wraparound chromium cover (á la *X-O Manowar #0*) by series artists Joe Quesada and Jimmy Palmiotti. This is a scorching hot book you can't afford to miss!

X-O MANOWAR™ #25/ARMORINES™ #0 - The U.S. Government makes another try for the X-O armor, pitting their newest weapons - the ARMORINES - against X-O Manowar. Inserted in the center of this special issue is the 16-page ARMORINES #0 by Jorge González and Jim Calafiore, telling the origin of VALIANT's newest team. Make sure you ask about this exciting new project when you stop by the VALIANT booth.

DECEMBER 1993

BLOODSHOT™ #0 - It's all here: the story of Angelo Mortelli and the events that helped pave the way for him to become Bloodshot, including his first fatal encounter with the Eternal Warrior. Written and illustrated by Kevin VanHook, with inks by comics legend Dick Giordano! This classic VALIANT #0 issue also features a stunning, full wraparound chromium cover by Joe Quesada that we'll be showing at our booth.

SIGNINGS

VALIANT has scheduled numerous creators to appear at the 1993 San Diego Comicon. Each signing session will last for one-and-a-half-hours (location to be announced) and feature three VALIANT creators (subject to change). In an attempt to facilitate crowd control and help ensure that everyone gets something signed, we must limit each person to **one autograph per creator per signing**. However, each of our creators will be doing multiple signings throughout the convention, so there will be chances to get plenty of books signed by your favorite creators.
